

BUILDING A SAFE AND SECURE FUTURE

FIRESHIELD

FD30S Composite Fire Doors

**FIRE, SMOKE
AND SECURITY**

Bowater Doors are specialists in the design and manufacture of high quality composite doors. We have over 40 years experience supplying the market with technical doors including fire and flood solutions.

Building a safe and secure future is at the heart of everything we do. Our ethos is reflected in our culture, environment and our entire product range.

Safety | Security | Style

FireShield delivers a revolutionary fire protection solution. It's the result of innovative design combined with extensive testing all sealed with certified consistent quality.
